

Australian Power Storage Cabinet Dustproof Type

Overview

What is a dust proof cabinet?

Dust Proof Cabinet from KrossTech is the ideal storage solution where dust is an issue. Clear strip door for quick, easy, dust proof access. Get a quote!.

What is a BAC dust control drawer?

BAC has developed an innovative upgrade for its "A" series cabinet - BAC Dust Control Drawers. While regular drawers have some protection against dust, busy warehouses in dusty environments still have dust to contend with. BAC Dust Control Drawers reduce the amount of dust getting onto your parts even further, making this issue far more manageable.

Why should you choose Powerplus cabinets?

There are enclosures to suit outdoor or indoor installations. Strong steel cabinets with a high quality powder coating finish promote durability and security whilst being well-suited to protected environments like garages, sheds and other enclosed spaces. Like to choose Australian made?

Rely on PowerPlus cabinets to protect your next system.

Are outdoor cabinets weatherproof?

Secure, weatherproof outdoor cabinets built to handle Australia's harsh conditions. From coastal humidity to inland heat, these cabinets protect tools, garden equipment, pool supplies and outdoor gear from sun, rain and dust year-round. Heavy-duty construction with lockable doors keeps valuable equipment safe and organized.
