

# Black mountain battery energy storage cabinet manufacturer

## Overview

---

### Who is Black Mountain Energy Storage?

Leveraging cumulative decades of electric market experience, Black Mountain Energy Storage develops powerful, flexible, and strategically placed battery energy storage projects to foster a resilient electric grid. BMES' quickly expanding team of energy experts are fast actors in pipeline development of utility-scale energy storage solutions.

### Who makes energy storage enclosures?

Machan offers comprehensive solutions for the manufacture of energy storage enclosures. We have extensive manufacturing experience covering services such as battery enclosures, grid energy storage systems, server cabinets and other sheet metal enclosure OEM services.

### Why should you choose Machan for your energy storage enclosure?

Machan has extensive experience in the manufacture of outdoor enclosures, enabling us to meet the diverse needs of energy storage enclosure customers across a range of industries and applications.

### What makes Black Mountain a great partner?

Black Mountain has been an exceptional partner to work with and we are excited to throw our development, EPC and financing expertise behind these assets to move them across the finish line, affirming our commitment to developing resilient renewable energy resources throughout Texas.
