

# Budapest energy storage power station

## Overview

---

Swiss-based energy company MET Group has officially inaugurated Hungary's largest standalone battery energy storage system (BESS) at its Dunamenti Power Station in Százhalombatta, located close to Budapest. The new facility boasts a total power output of 40 MW and a storage capacity.

Swiss-based energy company MET Group has officially inaugurated Hungary's largest standalone battery energy storage system (BESS) at its Dunamenti Power Station in Százhalombatta, located close to Budapest. The new facility boasts a total power output of 40 MW and a storage capacity.

MET Group has switched on Hungary's largest battery, a 40 MW/80 MWh system, at the site of a power station near Budapest. Swiss-based energy company MET Group has officially inaugurated Hungary's largest standalone battery energy storage system (BESS) at its Dunamenti Power Station in.

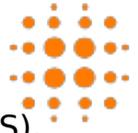

MET Group has switched on Hungary's largest battery, a 40 MW/80 MWh system, at the site of a power station near Budapest. From ESS News Swiss-based energy company MET Group has officially inaugurated Hungary's largest standalone battery energy storage system (BESS) at its Dunamenti Power Station in.

Hungary's largest operating standalone battery energy storage system (BESS) has been inaugurated today. MET Group put into operation a battery electricity storage plant with a total nominal power output of 40 MW and a storage capacity of 80 MWh (2-hour cycle). It is the latest example in a series.

Hungary's largest operating standalone battery energy storage system (BESS) has been inaugurated today: MET Group put into operation a battery electricity storage plant with total nominal power output of 40 MW and storage capacity of 80 MWh (2-hour cycle). It is the latest example in a series of.

The capacity of the BESS system can supply the entire street and decorative lighting of Budapest for four hours. The Swiss company MET Group has taken a key step in its decarbonization strategy with the commissioning of the largest battery energy storage system in Hungary. The plant, located at the.

Hungary has taken a significant step forward in its energy transition with the

inauguration of its largest standalone battery energy storage system (BESS). Located near Budapest at the Dunamenti Power Station in Százhalombatta, the 40 MW / 80 MWh facility marks a crucial development in Hungary's.
