Emergency Preparedness Cabinets are storage solutions specifically designed to store emergency response supplies and equipment. Bright colors provide high visibility, and steel construction is strong enough to withstand heavy-duty use. Safety storage cabinets have high shelf weight capacity to hold.

WN Series Cabinet is built with high-quality aluminum/steel structures. With vented doors and cooling fans, WN series provides excellent air circulation for servers and other devices. Cabinet is completely lockable from the front/ rear doors and side panels to prevent unauthorized access. This.
