[Philippines awards solar storage, wind power approvals](#)

Eight more integrated solar and energy storage initiatives, along with two onshore wind projects, made the cut since the department of energy released a preliminary tally after ...

- LiFePO₄ Battery, safety
- Wide temperature: -20~55°C
- Modular design, easy to expand
- The heating function is optional
- Intelligent BMS
- Cycle Life: > 6000
- Warranty: 10 years

[The future of wind energy in the Philippines . ACEN](#)
