

Kazakhstan industrial energy storage manufacturer

Overview

Multinational Chinese company Envision Energy has signed a strategic agreement with Samruk Energy and Kazakhstan Utility Systems to establish a localised manufacturing facility for wind turbines and energy storage systems in Kazakhstan.

Multinational Chinese company Envision Energy has signed a strategic agreement with Samruk Energy and Kazakhstan Utility Systems to establish a localised manufacturing facility for wind turbines and energy storage systems in Kazakhstan.

Chinese renewable energy tech company Envision has begun building a factory for wind turbines and energy storage systems (ESS) in Kazakhstan. The Shanghai-headquartered multinational said earlier this week that it celebrated the groundbreaking at the site in the Central Asian country on 17 January.
