taic panel sector. Our company, in addition to designing, installing and maintaining photovoltaic systems in Kosovo, has managed to become part of international projects, where we have designed projects in countries such as: Germany, Italy, The Netherlands rizes for quality. Some of them are.

As the government commits to a greener future, targeting 600 MW of solar

capacity by 2031, a compelling question arises for entrepreneurs and investors: Is now the time to establish local solar module manufacturing?

While the idea of a large-scale factory may seem daunting, a focused, smaller-scale.
