

Malaysia smart pv-ess integrated cabinet 200kw

Overview

What is bslbatt ESS-grid cabinet series?

BSLBATT ESS-GRID Cabinet Series is an industrial and commercial energy storage system available in capacities of 200kWh, 215kWh, 225kWh, and 245kWh. It offers peak shaving, energy backup, demand response, and increased solar ownership capabilities.

What is bslbatt 200kwh Battery Cabinet?

BSLBATT 200kWh Battery Cabinet separates the battery pack from the electrical unit for enhanced safety. Integrates active and passive fire protection with PACK-level, group-level, and dual-compartment safeguards. Large capacity, patented LFP module with CCS integration, 16kWh per PACK, and >95% efficiency per cycle.

What is smart string ESS?

The latest Smart String ESS has enhanced active protection to secure worry-free production every time. Real-time detection of each battery cell allows for an early warning and a rapid shutdown of the short-circuit battery pack, preventing thermal runaway and further fire risks.
