

Mobile solar cabinet

Modular design,
unlimited combinations in parallel

BUILT-IN DUAL FIRE PROTECTION MODULE

Overview

What is a mobile solar PV container?

High-efficiency Mobile Solar PV Container with foldable solar panels, advanced lithium battery storage (100-500kWh) and smart energy management. Ideal for remote areas, emergency rescue and commercial applications. Fast deployment in all climates.

What is HJ mobile solar container?

The HJ Mobile Solar Container comprises a wide range of portable containerized solar power systems with highly efficient folding solar modules, advanced lithium battery storage, and smart energy management.

Why should you choose a solar panel rack?

Racking System Rack designs and adjustable solar panel racks for maximum sunlight capture with seasonal or geographic changes in the sun's angle. Container Structure Rugged container construction and IP65 weatherproof provide protection along easy transportation and fast installation even in tough sites.
