

# Namibia solar integrated energy storage cabinet wholesale

## Overview

---

Are water tanks transforming Namibia's water infrastructure?

In a recent article, the Economics highlights the vital role of water tanks in transforming Namibia's water infrastructure for business and industry. It emphasizes the significance of reliable water storage for sustainable development and economic growth, with Abeco Tanks as a leading provider in this domain.

Who makes solar water storage tanks?

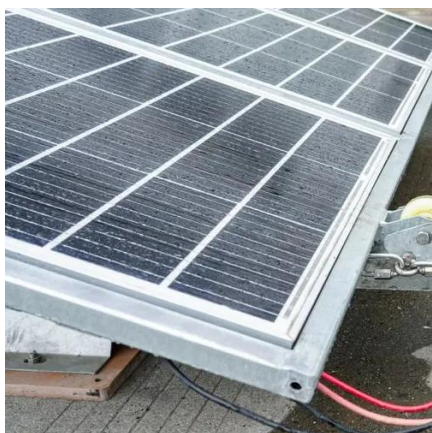

ABECO designs and manufactures high-quality water storage tanks. Not all solar companies are the same, Solahart has a distribution of more than one million solar systems around the world and is backed by over 65 years of experience. They offer solar hot water, solar power, battery storage and more.

Who is the Solahart distributor of the year 2021 (Africa)?

NEC (Pty) Ltd has been awarded the Solahart Distributor of the Year - Excellence Award 2021 (Africa)! This is a very honoured award which is the result of product passion, good workmanship, team effort and NEC's contribution to economic & social development in Namibia.
