

New outdoor solar power hub products

Overview

Jackery debuted three new products ahead of CES 2026 — a new ultra-rugged power station, a solar-powered robot, and a solar gazebo.

Jackery debuted three new products ahead of CES 2026 — a new ultra-rugged power station, a solar-powered robot, and a solar gazebo.

LAS VEGAS, Jan. 04, 2026 (GLOBE NEWSWIRE) -- Jackery is set to launch a sweeping new lineup of products at CES 2026, headlined by the Jackery Solar Gazebo and the world's first autonomous solar robot, Jackery Solar Mars Bot. These two next-generation additions to the Solar Home Ecosystem capture.

Jackery has just pulled the wraps off its newest portable power station, the Explorer 1500 Ultra, and it's aiming squarely at people who actually use these things outside - not just those who keep them pristine in a garage for the occasional blackout. Unveiled this week at CES 2026, the new unit is.

The annual Consumer Electronics Show (CES) in Las Vegas just kicked off, and Jackery has all sorts of exciting new tech to share, including a solar-powered gazebo that combines outdoor lounging with energy storage. This isn't your average canopy, and I can't wait to put one in my backyard. Jackery.

The day before CES officially starts, Mashable got the chance to preview a trio of new products from Jackery, including two surprising firsts for the brand — a solar-powered gazebo for the home and an autonomous robot that harvests solar power. Jackery helped popularize portable power stations, and.

BLUETTI's newest release, the Apex 300, officially launched on Indiegogo on May 20, offering a flexible, high-capacity energy solution that adapts to a variety of uses—from whole-home backup to off-grid cabins and RV setups. At its core, the Apex 300 delivers 2,764.8Wh of storage and 3,840W output.

Transform your outdoor living space into a sustainable power hub with an outdoor solar inverter - the revolutionary bridge between solar energy and your everyday electrical needs. As one of the most essential smart solar gadgets, these weatherproof powerhouses convert DC electricity from your solar.
