

Off-grid bess cabinet hybrid model ex-factory price

Overview

Supports OEM/ODM & factory prices.

Supports OEM/ODM & factory prices.

Outdoor Cabinet BESS CX-CI002 is an all-in-one 215kWh lithium battery storage cabinet system specifically developed for demand regulation, peak shaving, industrial and commercial energy storage, etc. It integrates 215kWh LiFePO4 batteries with BMS, high-voltage box, power distribution system, PCS.

Re: No limited. sample is OK. More quantity has better price, we will give you more discount and check the bestprice for you. Q: What's the delivery time?

Re: Generally within 7-15 days, we well arrange it for you as soon as possible. Q: What is your term of payment?

Re: We accept trade assurance.

All-in-One battery and hybrid inverter. Modular design,highly integrated. Standardized design, easy to expand and maintain. Support parallel installation. Fast deployment and quick setup on-site. Reduces your carbon footprint. Tier-1 LFP batteries. Integrated battery management system and thermal.

The SOLE series offers flexible capacity options, ranging from 5kW to 100kW of AC output, ensuring that we can meet a wide variety of energy demands, from small residential homes to larger off-grid estates. With scalable battery storage and smart energy management, FFD POWER enables homeowners to.

Individual pricing for large scale projects and wholesale demands is available. up power supply.

They offer Full customization and design-based customization services. Their positive review rate is 100.0%. Huijue Group's industrial and commercial energy storage system adopts an integrated design concept, with integrated batteries, battery management system BMS. E nergy management system EMS.
