

Polish cabinet customization wholesale

Overview

Who makes custom metal cabinets?

Elektron specializes in custom solutions tailored to your needs. Contact us today to discuss your requirements or request more information: Elektron, a Polish manufacturer, offers custom metal cabinets ideal for home and office use. Our industrial-style storage solutions combine durability with modern aesthetics, tailored to your specific needs.

Should you choose powder coating or metal cabinets?

If you have non-standard needs besides, such metal cabinets are perfect for such a situation. They are the perfect combination of utility along with the desired aesthetics. Powder coating, on the other hand, will allow you to give the whole thing the desired colour.

How many metal cabinets does metalkas produce a year?

Metalkas produces about 60,000 pieces of metal cabinets annually, which is possible thanks to the use of the state-of-the-art technologies and production automation. For the production of metal furniture, we use 13 production machines supervised by experienced employees of the company.

Who is exposite Polska?

Exposite Polska Sp. z o.o. Sp.k. is located in Chwaszczyn in the Kartuzy powiat, in the Pomeranian province. We commenced our business activity in 1999. We specialise in designing and manufacturing plastic products. Many years of experience made us know your expectations, which allowed us to significantly expand the offer.
