

Qatar outdoor telecom cabinet three-phase

Lithium battery parameters

Product capacity: 100Ah

Product size: 135*197*35mm

Product weight: 1.82kg

Product voltage: 3.2V

internal resistance: within 0.5

Overview

What is an outdoor integrated cabinet?

Outdoor integrated cabinet is well suited for power equipment, batteries, telecom gear, all integrated into a robust, economical package. The cabinet contains internal mounting rails, which allow installation of standard 19" equipment. Support custom-made.

What is a telecommunication cabinet?

The cabinet is an ideal solution for physical connections of outdoor telecommunication equipment, transmission equipment, power equipment, monitoring equipment, lithium batteries and other supporting equipment. Both active telecom equipment and passive telecom equipment can be accommodated inside the cabinet.

What types of equipment can be accommodated in a Datacom cabinet?

Both active telecom equipment and passive telecom equipment can be accommodated inside the cabinet. Cabinets are available with integrated thermal management using air conditioner to control internal temperatures to protect sensitive equipment. DATACOM offers IP55/IP66 rated floor standing equipment Cabinets.

What is Datacom outdoor cabinet?

DATACOM outdoor cabinet which can protect customer's equipment's from damage and extreme weather conditions, vandalism, dust, rain, snow and dripping water.
