What are battery enclosures & cabinets?

Battery enclosures and cabinets are a safe way to store batteries and to protect them from the elements as well as providing a line of defense against theft.

What are the best solar battery boxes and enclosures?

Unbound Solar offers durable solar battery boxes and enclosures that are ideal for off-grid or grid-tie with battery backup systems. Browse our selection today. Our Solar Battery Guide will help you size your battery bank properly and keep things running smoothly by ensuring a well-designed system that protects your batteries.

What is a solar battery box?

This product is perhaps more commonly called a "solar battery box" but is also referred to as a "pole mount battery box". Some battery boxes are large enough to be considered battery cabinets and are usually made from painted steel. Battery enclosures keep your batteries safe from weather and safe from theft.
