

# Solar energy storage company exported from montenegro

## Overview

---

Is Montenegro launching its first battery energy storage tender?

Montenegro's Elektroprivreda Crne Gore (EPCG) has upped the ante for its first battery energy storage tender. In a pioneering move for state-owned utilities in the Balkans, Montenegro's largest power utility, EPCG, is planning to launch a large-scale, battery energy storage procurement exercise by the end of 2024.

Where are solar power plants located in Montenegro?

Montenegro is rich in solar radiation, particularly in the southern part, especially around the cities of Bar and Ulcinj, and in the area around the capital city of Podgorica. Solar power plants are located in these areas due to the high solar radiation.

How much solar power does Montenegro have?

Montenegro had installed solar power capacity of just 6 MW at the end of 2020. The country's solar power capacity is significantly smaller than the electrical power demand, which is currently met by the 225 MW Pljevlja thermal power plant in the north of Montenegro and two large hydropower plants, at Perućica (307 MW) and Piva (363 MW).

Will Kapino Polje install a 5 MW battery energy storage system?

The utility has also decided to install a 5 MWh battery energy storage system alongside its proposed Kapino Polje solar power plant, which would have 5 MW of installed capacity.

## Solar energy storage company exported from montenegro

### [Montenegro Launches 240 MWh Battery Energy Storage ...](#)

Montenegro invests EUR48M in 240 MWh battery energy storage systems to enhance grid stability and accelerate its renewable energy transition.

### [Montenegro Solar Energy and Battery Storage Market \(2025 ...](#)

Montenegro Solar Energy and Battery Storage Market is expected to grow during 2025-2031

### [Montenegro Solar Energy and Battery Storage Market \(2025 ...](#)

Montenegro Solar Energy and Battery Storage Top Companies Market Share Montenegro Solar Energy and Battery Storage Competitive Benchmarking By Technical and Operational ...

### [Montenegro utility to build its first battery ...](#)

In a pioneering move for state-owned utilities in the Balkans, Montenegro's Elektroprivreda Crne Gore (EPCG) is looking to deliver 185 ...
