

Technical Specifications of 60kW Mobile Energy Storage Battery Cabinet

Overview

What is a lynx C 60kWh battery system?

GoodWe's Lynx C 60kWh outdoor battery system is tailored for small to medium-sized commercial and industrial (C&I) energy storage applications. Its modular design not only minimizes the impact of local failures but also allows for swift and straightforward module replacements.

Does the lynx C 60kWh battery work with a goodwe hybrid inverter?

The Lynx C 60kWh battery system effortlessly integrates with the GoodWe hybrid inverter ET 15-30kW, ensuring seamless compatibility and optimal performance. Additionally, the innovative design allows for straightforward multi-cabinet parallel connections, offering a convenient pathway for system expansion. Max. Charge / Discharge Current (A).

What is a hybrid ESS cabinet?

Designed to support grid-tied and off-grid scenarios, the Hybrid ESS cabinet offers seamless integration and maximized space utilization, making it an ideal choice for growing energy demands. With support for 200% PV oversizing and a maximum 40A DC input current, the Hybrid ESS Cabinet ensures high throughput for large-scale solar integration.
